

About the Author

Doug Seymour spent 25 years in the Canadian Navy with the later part of his career involved in various facets of the computer industry. After leaving the Navy he spent a further 20 years in various IT positions both in government and in civilian industry. During this time he had a number of occasions to write user manuals and software training documents.

Like many others, Doug is a ProTrak user, and like many before him, he struggled to understand the program and to get it up and running correctly. He felt there was a need for a comprehensive tutorial on ProTrak and on his retirement set to work producing such a tutorial - the ProTrak Basics Manual is the result.

Doug Lives in Edmonton, Alberta with his wife Shirley and his dog, Maxie.
